It ranks the roads on scenery, curves, gravel and other items. We will leave from the McDonalds on 87 and 435 (parking lot of our meeting place). He will have more information soon. May send emails so look them over if you get more emails from the group than usual.

**DINNER RIDES:** Our next dinner ride (9/12) is being let by Bill Poe to celebrate Cheryl's mother's **98th birthday**, Unfortunately she can't get on the bike this year but will lead our bike parade riding in a convertible. We are meeting at the regular meeting place this year and caravanning to the nursing home to pick her up and ride to Old Shawnee Pizza at K-10 and Woodland. That leaves us 2 more rides for the season. Craig will lead us the 19 (place to be determined). September 26 still open. Let them know next month if you are coming so they know the right size turkey to get. Of course if you don't know then but turns out you can come don't worry about it come any way. Bring anything else you want to drink. We look forward to seeing everyone there.

**CHRISTMAS PARTY:** We are having a Christmas party December 1. More details will be coming soon.

**NEW YEAR'S DAY RIDE:** Come with your ideas for the annual ride to our meeting next month.

**FINANCIAL TIP:** Dave couldn't help himself :) he had to pass on an article on the top 7 questions to ask before taking your Social Security (for those who haven't already). You can find those questions at "[schwab.com/ininvesting](http://schwab.com/ininvesting)". He said if he'd known then what he knows now he'd have waited until older than 62.

**UPCOMING RIDE (NEXT SEASON):** Bogie is looking into a ride to Graham Ranch which is a ranch teaching new techniques in artificial insemination for cattle.

**BREAKFAST RIDES:** It was brought up we should have a monthly Saturday morning breakfast ride in the new season next year. Bring your preference on which week the breakfast would work best for you.

**PLANNING MEETING:** Bev is working on getting us a meeting room at one of the local libraries for our planning meeting December 8 (we hope it to be from 10 - 12).
