There are more details on these rides on the website.

If you set up a ride and you cancel it for any reason please be sure to notify John English or Ron so they can get the word out. We want to let people know even if you weren't expecting people you might have been surprised to find people were going to be there and it would be nice to let them know something happened before they showed up.

The biggest thing we discussed was how to get more people to join us to ride now that more things are opening up. Ideas included a spontaneous ice cream night (not necessarily on a Wednesday). We would also like people to come with ideas to the next meeting (or send them to us to discuss at the meeting if you can't come so we can bring them up). We are so excited to see more people now that more people are getting vaccinated and things appear to be getting safer.

Respectfully Submitted, Madame Secretary, Patti Kelsey
