Our Old Minutes were accepted

Maurice: John English told us about the bike show we held at the Alzheimer facility Maurice lives in. Due to spacing we weren't allowed to have the whole group go. However we did have a good showing. Several residents and their families came out and visited with us. Maurice and Elaine even got on the bike and recreated their wedding picture. We are trying to see if anyone has one of the ones from their wedding day. If so please contact John. A good time was had by all.

Colorado Ride: John and Bev set up an amazing ride. Setting up all the hotels and the routes. There were 11 bikes and 13 riders sharing one of the best and most colorful Colorado rides people can remember.. One of the most memorable events was when a couple of riders had battery issues at the same time at a fuel stop. One was able to restart with a jump. Another had to buy a new battery. They had to get one from another town. When they found one in Gunnison they found that the store closed at 2. It was 1 at the time. One of the riders raced at extreme high speeds to make it to the store just in the nick of time. The weather was amazing. Cold weather gear wasn't needed until the last day. At that time some people even got into hail after they went off on their own. John English said his only regret for the ride was not buying a bumper sticker that said "Don't follow me. I do stupid things".

Saturday American Legion Ride: The American Legion Riders are meeting at 9:30 Saturday 10/16/21 with kickstands up at 10:00 at 83 rd street and HWY 7 at the Phillips. They are going through Atchison with lunch at Muellers. Cost is \$10 each

Maple Leaf Festival: The Maple Leaf Festival Festival is this weekend in Baldwin Ks. Many of our group has enjoyed going for years,

Hanger Cafe: GWRRA is going to Hanger Cafe this weekend. Meeting at 0715 at Caseys with the riders meeting at 0720. For those that aren't familiar with Hanger Cafe it's in the Springfield area. If you want more information about this ride contact Dan.

St. Joseph Color Ride: Stacy is setting up a Color Ride 10/24/21 to St. St. Joseph Krug Park. More details will follow and will be on the website.

Future Train Ride: Bogie and MaryRose are looking into the Missouri / Arkansas Ride that follows highway 50. It is an all day event. They are going 10/22/21. They will get all the details for us to see if we could possibly do it as a group in the future

Facebook Group: Bill Poe has restarted our Facebook page. It will be used in conjunction with our e-mail. We hope people will share trips they are going on as other fun things going on. Thanks for doing that Bill.

50/50 - MaryRose won \$20
